

GREYLOCK CAPITAL RECEIVES INVESTMENT FROM SOVEREIGN WEALTH FUND

NEW YORK – (BUSINESS WIRE) – 16 November 2010 – Greylock Capital Greylock Capital Associates, LLC (“Greylock Capital”) announced today that a Middle Eastern sovereign wealth fund has invested approximately \$45 million in its flagship fund, the Greylock Global Opportunity (Offshore) Fund Ltd. (the “Fund”). Greylock Capital is a leading alternative asset manager focusing on emerging markets in Africa, Asia, Eastern Europe, Latin America and the Middle East.

“We are delighted that such an astute institution has made a significant investment in our Fund and expect to have a long relationship with it,” said Hans Humes, President and Chief Investment Officer for Greylock Capital. “This Middle Eastern sovereign wealth fund complements our other institutional investors, which include other sovereign pension funds, state pension funds and family offices.”

About Greylock Capital

Greylock Capital has successfully managed emerging market portfolios since 1997. Greylock Capital specializes in event-driven, absolute return strategies in emerging markets, investing in deep value, distressed and niche assets worldwide with particular emphasis on Africa, Asia, Eastern Europe, Latin America and the Middle East. Greylock Capital seeks to identify under-analyzed and inefficient markets, and extracts value through strategies built on years of international restructuring experience and on the-ground investment analysis. Greylock Capital does not employ leverage, has low turnover in portfolio assets and offers complete transparency to its investor base, which includes sovereign funds, pension funds, endowments and foundations, funds of funds and high net worth individuals.
